

Website designer volunteer

Help us ensure that our website consistently looks good and functions effectively. Your help will enable us to reach more people and raise awareness of our organisation.

<u>Where</u>	<u>When</u>	<u>Estimate of time needed</u>
Remote opportunity	Either in or out of office hours	3 hours a week

What will you be doing?

Various people visit our website therefore we want to ensure that our website consistently looks good and functions effectively. So, when someone visits our website, they have a great experience. To achieve this, we are looking for someone who has experience in website design.

We would like the volunteer to:

- help with the website speed and ensuring that we are mobile friendly
- improve and/or create new pages based on UX and/or UI
- review google analytics to suggest and implement improvements on the website
- maintain the website on an on-going basis

What are we looking for?

We are looking for a volunteer who:

- has experience developing and customising WordPress themes
- has a good understanding of both UX and UI
- has experience in creating responsive websites that look and function well across different devices
- knows how to optimise WordPress for increased performance and reduced load times
- has an understanding of troubleshooting and debugging issues

What difference will you make?

By helping us improve our website, users are more likely to do our calls to action. As a result, we will be able to support more young people.

What is in it for you?

- free access to a 24/7 well-being helpline
- training
- the opportunity to use your skills and experience to help a not-for-profit develop
- an opportunity to gain new skills
- invitations to exclusive Say It With Your Chest events
- great experience to put on your CV
- flexible volunteer hours that fit around you
- being part of an organisation with like-minded people
